SHERWIN-WILLIAMS
Coil Coatings

- Colors shown represent the actual color as closely as possible. To ensure exact color for final approval, a metal color chip is available.
- Oil canning is not grounds for coil/panel rejection.
- Slit coils are available in standard 20- and 24-inch widths. Custom coil slitting is also available.
- Metal sheets are delivered with a protective film which must be removed post-installation.
- Other finishes are available, including 16- and 20-ounce copper, stainless steel, bonderized metal and mill finish aluminum.
- EXCEPTIONAL® Metals offers a variety of warranties up to 35 years.
- Color Chart is subject to change without notice.
- Custom colors are available at an additional cost.
